

# UNIVERSITY STUDENT OPPORTUNITIES

Are you curious and motivated and want to gain an insight into a work environment? University placements give you a chance to gain valuable workplace experience, to enhance your knowledge and skills and put into practice what you have learnt so far at university. At Stanwell, students are given the opportunity to work under the supervision of experienced professionals within their discipline, across our diverse asset portfolio and business areas.

Stanwell offers three different types of opportunities to university students:

## Work integrated learning placement (unpaid)

During a Work Integrated Learning Placement, students will gain exposure to the industry and may be involved in the following tasks:

- Attending meetings
- Shadowing team members
- Sharing ideas and perspectives with their team
- Completing tasks that are closely reviewed by a subject matter expert (where feedback and coaching is provided to support learning)

Location: Corporate office

Duration: Maximum of 30 days/225 hours

Structure of engagement: full time or part time

Requirements: Work Integrated Learning Agreement from the student's university must be provided

## Student placement (paid)

During a Student Placement, students may be tasked with a range of activities including:

- Conducting research to suggest recommendations for improvement
- Supporting project management activities
- Updating process documentation
- Utilising systems to support team processes

Location: Various

Structure of engagement: full time

Duration: 6-9 months

## Internship (paid)

During an internship, students may be tasked with a range of activities including:

- Conducting research to suggest recommendations for improvement
- Supporting project management activities
- Updating process documentation
- Utilising systems to support team processes

Location: Various

Duration: Maximum of 435 hours

Structure of engagement: full time or part time
